

Dear Craft Vendors,

Welcome to the 30th Annual Pickle Festival.

We would like to invite you to come and exhibit your merchandise at our festival. We have one option available, outside of the craft tent. Spaces outside the craft tent are 10x10 for \$60.00. If you are interested in securing a spot inside or outside, please send in the fee by June 1st, 2026. Please remember this is on a first come first serve basis.

All booth fees are non-refundable and must be paid in full before setting up.

Upon receipt of your reservation form and payment a confirmation letter containing set up times, hours of the festival ect. will be mailed to you.

While there is electricity you will need to bring your own extension cords to get it to your spot(s).
Please, note that we DO NOT furnish tables or chairs.

NO PETS PLEASE

As members of the St Joe Pickle Festival Committee, we are committed to maintaining a safe and productive festival environment. This year, we are informing you of our strict policy prohibiting the use, possession, or influence of drugs or alcohol by any individuals representing your company while on our premises and during festival hours, including setup and teardown.

Key points of our policy:

•ero Tolerance:

Any suspected policy violation will result in immediate removal from the premises without a refund, and you will not be asked to return.

•ompliance with Laws:

This policy aligns with all applicable state and federal laws regarding substance abuse. We ask that you please communicate this policy to all your employees who will be interacting with the St Joe Pickle Festival and ensure their full compliance with these standards.

Craft Reservation Form (Please return this portion with payment)
